ÜNSAL
GROUP

Who we are?

Our company was established by Mr. Şinasi Ünsal on March 21, 1984 within Ünsal Group. It has expanded its trade by making breakthroughs in different sectors, In Turkey and in the Worldwide; aims to be accessible by producing quality and reliable products. It has adopted the mission and vision of superior service understanding and forward-looking goals and growth desire.

With its 50.000 m2 modern production facility established in Istanbul Başakşehir in 2021, it has increased the production capacity of the products produced under the Skytech-Weston brands in the TV product group and the Homstar brand in the Small Household Appliances and White Goods product group. It has aimed to contribute to the country's economy in foreign markets by improving its position in the sector and in Turkey, and has managed to become one of the largest electronic companies in Turkey with the importance it attaches to production and employment.
